

Welcome to the 2022-2023 School Year!

President Tara Gosman, 631-374-3286, taramgosman@yahoo.com
Treasurer Deborah Aiello, 631-327-3397, deborah77marketing@gmail.com
Secretary Amy McClelland, 631-697-7620, amcclell7@yahoo.com

SEPTA is a Special Education PTA within the SWR school district that brings together a variety of people interested in children with special education needs. These children include those classified with an IEP (children in self-contained settings, inclusive settings and students receiving services such as speech therapy, physical therapy, occupational therapy, etc.) as well as students with 504 Plans. We encourage participation and membership from all parents, faculty, staff and administrators in our school district. You do not need to have a student or child receiving special education services to be a part of SEPTA. We are here as a support for everyone.

We typically meet once a month during the school year. You will be receiving information about our SEPTA meetings (dates, times, locations and information about the presentations/speakers) via email. SEPTA dues are \$20 per year, per family. Our annual dues are used to provide scholarships, fund our TA Tuition Training Program, Grant Program and to expand our efforts to support children with special needs in a variety of ways within the SWR CSD.

In order to be a member and be on our email list, you must update your annual membership!
If you prefer to pay online, sign up at the QR Code link above or <https://septaswr.memberhub.com/store>

Shoreham-Wading River Special Education PTA Membership \$20/family (no cash please)
